PETITIONER'S COMMENTS

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public
interest would be served by allocating Channel 231C2 to
Waynoka, Oklahoma as that community's first local service.
Waynoka, Oklahoma is an incorporated community with a
population of 993 people.¹ Waynoka has its own mayor, its
own post office, fire department, police department, school
district and a number of local churches. Waynoka is a
community that is certainly deserving of a an FM service.
The proposed channel 231C2 will provide additional

diversity and an outlet for local self-expression to Waynoka residents and therefore is in the public interest.

Should this petition be granted and Channel 231C2 allotted to Waynoka, Oklahoma, Petitioner will apply for Channel 231C2 at Waynoka and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
